Trump, Palestine, and the False Premise of "Economic Peace"

By: Diana Buttu, Ibrahim Fraihat · June, 2019

Trump's efforts to bolster the Palestinian economy in lieu of concrete political action are part of a long history of initiatives designed to forfeit Palestinian rights under the guise of "economic peace."

In this policy lab, Al-Shabaka Policy Analysts Diana Buttu and Ibrahim Fraihat weigh in on the threats these initiatives pose for the Palestinian liberation struggle, as well as on the growing support for such approaches by Arab states.

Al-Shabaka: The Palestinian Policy Network, is an independent, non-profit organization. Al-Shabaka convenes a multidisciplinary, global network of Palestinian analysts to produce critical policy analysis and collectively imagine a new policymaking paradigm for Palestine and Palestinians worldwide.
