Palestine Solidarity: Tough Questions & Ways Forward

By: Loubna Qutami, Randa Wahbe, Zena Agha · November, 2018

Is the global Palestine solidarity movement exerting its energy in the right places? How can the movement better coordinate with developments in Palestine? Is Palestinian self-determination sufficiently reflected within the movement?

On the 2018 International Day of Solidarity with the Palestinian People, Al-Shabaka's Zena Agha is joined by analysts Loubna Qutami and Randa Wahbe to explore these challenging questions and more.

Al-Shabaka: The Palestinian Policy Network, is an independent, non-profit organization. Al-Shabaka convenes a multidisciplinary, global network of Palestinian analysts to produce critical policy analysis and collectively imagine a new policymaking paradigm for Palestine and Palestinians worldwide.
