Palestinian Narrative: How Do We Build A Strategy?

By: Tamara Ben-Halim, Hazem Jamjoum, Amjad Iraqi · October, 2018

Why is a collective narrative important to the Palestinian liberation struggle? What challenges do the Palestinian people face in promoting their narrative, and who has legitimacy to promulgate it?

Al-Shabaka analysts Tamara Ben-Halim and Hazem Jamjoum weigh in on these questions and more in this month's Palestine Policy Lab, facilitated by Amjad Iraqi.

Al-Shabaka: The Palestinian Policy Network, is an independent, non-profit organization. Al-Shabaka convenes a multidisciplinary, global network of Palestinian analysts to produce critical policy analysis and collectively imagine a new policymaking paradigm for Palestine and Palestinians worldwide.
